

Anthony C. Janetos

Joint Global Change Research Institute/Pacific Northwest National Laboratory/University of Maryland

Anthony C. Janetos is the Director of the Joint Global Change Research Institute, a joint venture of the Pacific Northwest National Laboratory and the University of Maryland. He has written and spoken widely on climate impacts and adaptation, and the relationship of fundamental science to decision-making. For a decade, he managed programs in Earth sciences at NASA, and he was the Program Scientist for Landsat 7.
